Recent Publications By AAAOM Faculty

Our faculty at the American Academy of Acupuncture and Oriental Medicine (AAAOM) continues to be the most productive team scholarly and academically. The recent publications from our faculty members in the fields of acupuncture, needling techniques, Chinese herbs, herbal formulas and clinical applications show that we keep bringing the frontier of Chinese medicine to the growing profession of Oriental medicine in the United States. AAAOM firmly holds the position as a leading education, service and research center in the United States of America.

Acupuncture Points

Yifan Liu. Ghost Point and Emotional Disorder. *International Journal of Clinical Acupuncture*, 2011, Vol 20.No.1: 33

Changzhen Gong, Medical Research Reveals Scientific Basis for Acupuncture Points and Meridians, *International Journal of Clinical Acupuncture*, Volume 20, Number 1, 2011.
